

**St Anne's Parish Church**  
**Report for Session Meeting of 30<sup>th</sup> September 2015**

**TEAM: Parish Mission**

We have held two meetings since we last reported.

1 At the meeting on the 11<sup>th</sup> February we designed the welcome cards and have placed them on every pew in the Church. We have also put into the Order of Service a note asking all members of the congregation to keep an eye open for any new people in the Church and to encourage them to take a welcome card. We will follow up with the welcome pack and a visit.

2 The Easter card was designed printed and distributed to the entire parish.

3 The Annual Report was prepared, proof read, printed, and delivered.

4 The postage of Newsletter and /or Magazine was discussed and this has been looked into by the Fellowship Team. The list has been reviewed and reduced.

5 At our second meeting on 22<sup>nd</sup> July the autumn leaflet was designed, printed and distributed to the parish. We thank all the distributors who do such a good job so willingly.

6 We discussed the distribution of Harvest gifts and as well as giving to the local care homes, goods will be given to Fresh Start and the North West Food Bank.

7 We discussed 'Welcome to your New Home' cards, for all the people in the Station Road Flats and these have been made and delivered along with the Autumn Leaflet. Any new residents to the parish will be identified where possible and a New Home card and welcome pack will be delivered.

8 The magazine will continue for four months in the year, and the newsletter for the other months. At the end of this year, we will ask Session what they would like to do in the future.
